MEMORANDUM FOR: CA [REDACTED]
ATTENTION : Mr. [REDACTED] Chairman
Task Force Training Plans Committee
SUBJECT : Proposal for Engaging Science Consultants

1. Reference is made to your memorandum, this subject, dated 15 February 1961, which requests OTR comment on the proposal to have a selected scientific consultant attend the next Contingency Force training exercise, etc.

2. The Office of Training sees no immediate advantage in this proposal, and points out the extensive additional knowledge the consultant would gain of specific CIA personnel and covered installations. If the ID/P should approve this proposal, however, we should reluctantly defer to his wishes in this matter.
